LAST WEEK

Last week we enjoyed time walking through Wildwood and seeing what the Wildwood Landcare Group have achieved in the area. This was followed by a social BBQ at Rotary Park.

NORTH COAST POST PAPER DISTRIBUTION

Thank you to Rotarians, family members and friends who have volunteered to distribute this paper around Deloraine.

We still have a few areas in the town that are not covered, and if you would be willing to volunteer an hour of your time each month to distribute, (or if you can not commit to monthly, but would be able to assist occasionally—especially if someone is away) then please either speak to Michael Plunkett or Ann Axelsen.

Future distribution dates for this year are:

The week of:-

Tuesday 17th December

Matt Taylor, the editor of the paper will attend our Rotary Meeting on Tuesday 18th February, 2025 as guest speaker. So an opportunity to hear from Matt about the paper and for us as a Club to meet him.

ROTARY CONFERENCE 2025

Saturday 22nd February to Saturday 1st March, 2025

AKA ROTARY ROADSHOW DATES FOR YOUR DIARY

As many of you are aware rather than having a traditional style conference or an Expo I thought we would try something different and take Rotary to the communities around the state to showcase what clubs have done in their local community to make the community a better place for all, with the ultimate aim of trying to attract more members.

Whilst the details are still being worked on we plan a send off in Hobart on Saturday 22nd February and will finish in Deloraine on Saturday 1st March, 2025.

Please come and join us for some or all of the journey!!

On Saturday 1st March at the Rotary Function Centre in Deloraine we will have the Call to Higher Service commemoration followed by speakers, then food, music and dance the night away!

The lighter side...

I was out walking with my 4-year-old granddaughter. She picked up something off the ground and started to put it in her mouth. I took the item away from her and I asked her not to do that.

"Why?" my granddaughter asked.

"Because it's been on the ground. You don't know where it's been, it's dirty, and probably has germs," I replied.

At this point, my granddaughter looked at me with total admiration and asked, "Grandma, how do you know all this stuff? You are so smart."

I was thinking quickly, "All Grandmas know this stuff. It's on the Grandma Test. You have to know it, or they don't let you be a Grandma."

We walked along in silence for 2 or 3 minutes, but she was evidently pondering this new information.

"Oh...I get it!" she beamed, "So if you don't pass the test, you have to be the Grandpa."

"Exactly," I replied.
