EXCHANGE STUDENT SOFIA

Our Exchange Student Sofia was introduced to Rotarians at last weeks' meeting. Sofia gave us a small talk about herself. Sofia is hosted by the Rotary Club of Verviers, Belgium.

ABOUT THE ROTARY CLUB OF VERVIERS:

The Rotary Club Verviers, fully committed to the Rotary diversity since 2009.

Created in 1936 by about twenty Verviers residents, the club retains all its dynamism despite the weight of the years. It was at the origin of the formation of several clubs in the east of Belgium, from Herve to Malmedy and Eupen, not to mention the clubs of our fellow citizens, the Rotaract Verviers, a club of active and dynamic young people founded in December 1977, focused on helping children, the Rotary Club Verviers-Vesdre, created in February 1986 and Verviers in the Blue Ardennes, chartered in March 2012,

After the 2021-2022 Rotary year, deeply marked by the catastrophic floods that hit our City and the Verviers region on July 14th and 15th, 2021, our club, chaired by Marc Elsen during the year 2022-2023 and Marc Gilson the following year, has continued its support for local associations focused on social integration, children and people affected by a physical or mental disability. This year 2023-2024 was also marked by communication and the opening of the Rotary Club Verviers to people who are not familiar with Rotary's actions.

Our club remains very loyal to Rotary International's superb Youth Exchange Program (Y.E.P.). We welcomed five young people from North America, Indonesia, Australia and South America, allowing five young people from our region to spend a year discovering the other side of the Atlantic or in Oceania. The four youngsters from across the Atlantic returned to their families at the end of June, but the fifth youngster, an Australian, is continuing his exchange year with our club until next December.

President Philippe Somja, is launching his action programme, faithful to the dynamism and desire of our club to remain attentive to the needs of our local environment.

ROTARY SERVING THE COMMUNITY

Thank you to all Rotarians who assisted with the distribution of **The North Coast Post** during the past week.

This will be a monthly task (for which the club will receive remuneration) and if you would like to volunteer to assist with delivering, then please contact either Michael Plunkett or Ann Axelsen.

**The lighter
side...**

"I've created a new computer that is almost human."

"You mean that it can think, feel and reason just like a human would?"

"No, but when it makes a mistake it blames it on another computer."

Janice, my sister, had been pestering her husband, a carpenter, for more than a decade to build a screen door for the kitchen.

One day, to her delight, he built and installed one in less than two hours. It was both practical and pretty. She glanced towards the front door and wistfully remarked that one would look good there, as well.

"Are you kidding?" he gasped. "You can't just whip these things up, you know. It takes ten years to build a door like this."

The graphic features a stylized globe with an upward-pointing arrow, held by two hands. The background is a gradient of red, orange, and purple. The text 'OCTOBER Community & Economic Development' is written in white. At the bottom left, it says 'Create hope in the world' and at the bottom right, it features the Rotary logo and the text 'Rotary PEOPLE OF ACTION'.
